MIT RESIDENTIAL DINING PACK-OUT GUIDE

BY BON APPÉTIT

MIT Residential Dining Bulk Pack-out Guide

We recognize that there may be times during the academic year in which students in your organization may find it impossible to attend meals in the Dining Hall at the normally scheduled meal times. House Dining has a Bulk Pack Out program to accommodate you during that time.

If your college-sponsored group cannot attend the normally scheduled meal in your café, you can order a pack out in exchange for an equivalent board meal taken from your weekly allowance.

The following package will guide you through the steps necessary to meet the requirements of the program.

Enclosed, you will find a brief menu and description of each type of pack out. You'll find a menu for breakfast items as well as some very popular choices for lunch or dinner. Please be aware that we can customize menus, additional offerings may be added for a nominal charge. All pack out orders come complete with disposable plates, bowls, forks, knives, and napkins.

Planning Your Event

- Please allow yourself enough time to place your order. We request orders to be placed 72 hours prior to the event.
- You need to have participants sign up with their ID number, printed name and signature. This list must be submitted 48 hours prior to your event. Remember that even with meal credits other charges may apply, such as delivery, set up, china, or linen.
- Pack outs will not be filled unless both of these sheets are completed and turned into the dining office. If you have any questions about this program you can call 617.253.4951 for assistance.
